1. Please describe your child's experiences with a group of children, such as prior preschool, parent's day out, or nursery.
2. Please describe any special need your child may have arising from a challenging condition such as a physical, social or emotional need. This includes any allergies, difficulties with vision/hearing, or on-going illnesses.

When my child is accepted, I understand that I have two weeks to submit the non-refundable enrollment fee of \$100 to secure his/her placement. For a child who is not at PRP for the preceding school year, I understand that additional paperwork, including a registration form and a health form signed by a physician, will be required before my child may start school. Monthly tuition is due on the 1st of each month, June and July.
