Preston Royal Preschool offers a summer session on Tuesdays and Thursdays from 9:00 – 12:50 from **June 5 – July 26, 2012**. The curriculum is relaxed with an emphasis on summertime themes, such as water habitats, forests, deserts, mountains, and outdoor fun. Children bring lunch each day. We welcome children who are 2 years old by June 1, 2012 through children who will start kindergarten in the fall. We offer before school car starting at 8:00.

Part B: Before School Care

For families who need to bring children to school before 8:50, we provide an "early bird teacher" who opens her classroom at 8:00 each morning and then takes each child to his/her regular teacher at 8:50. This service can be used as needed. Cost is \$3 per use. Please pay the early bird teacher directly.

Part C: After School Care

No after school care is available in the summer session.

Part D: How to Apply:

Submit your application and application fee as soon as possible.

Current families: The application form comes home via book bags and is available on the website in January. Submit application and application fee by **January 24, 2012**. When your child is accepted, you will have until March 2, 2012 to submit the signed enrollment form and non-refundable enrollment fee to secure his/her place.

New families: The application form is available via the website or from the school beginning in January. For applications received by **January 31, 2012**, a decision on acceptance or wait list is made by February 17, 2012. When your child is accepted, you will have two weeks to submit the signed enrollment form and non-refundable enrollment fee to secure his/her place. When your child is placed on the waiting list, we will refund the application fee. We will accept applications as long as we have openings.

Part E: How Acceptance and Class Placement are Determined

Applications are date stamped upon arrival. Preference is given to students who attend or will attend PRP during the school year. Students are placed in classes on the basis of age, the needs of the child, and previous preschool experience. For a child who is continuing at PRP, every effort will be made to place the child with some of the members of his/her current class.
