Part G: How Acceptance and Class Placement are Determined

Applications are date stamped upon arrival. Returning families are given priority for acceptance. Students are placed in classes, including after school care, on the basis of age, the needs of the child, previous preschool experience, and days chosen. For a child who is continuing at PRP, every effort will be made to place the child with some of the members of his/her current class. The final composition of school year classes is determined in the summer.
